Em D Em  
El drama de la existencia

busca encontrar su verdad,  
Am  
quiere ocultar su presencia,  
Em D Em [D]  
su Encarnación olvidar.

Mi voluntad luchará  
por mantener su justicia,  
mi vida es su pertenencia.  
Nada me lo impedirá.

*Hoy cantaré, cantaré mi vida o mi muerte,*

*hoy anunciaré, anunciaré que El sigue presente.*

He conocido la fuente  
que salva al hombre del mal  
en mi carne es grito fuerte  
y en mi sangre tempestad.

Mi nueva ley es la historia  
que me ha tocado seguir,  
grande es su misericordia  
aunque no lo merecí.

*Hoy cantaré ...*
