

Will the Sun Ever Shine Again? *Bonnie Raitt*

C
Rain is pourin' down like the
F C
heavens are hurtin'
Em
Seems like it's been dark since
Am Em
the devil knows when.
Am D7
How do you go on, never knowin'
F
for certain,
Am Em G7
Will the sun ever shine again?

Feels like it's been years since it started to thunder.
Clouds are campin' out in
the valley and glen.
How do you go on, when you can't help but wonder.
Will the sun ever shine again?

F C
What if the rain keeps fallin'?
F C
What if the sky stays gray?
F C
What if the wind keeps squallin'
D7 G7
And never go away?

Maybe soon the storm will be
tired of blowin'.
Maybe soon it all will be over, amen.
How do you go on, if there's no way
of knowin'?
Will the sun ever shine again?

F C
Wish I could say.
Am Em
Send me a sign-
F C
One little ray.
Am Em F
Lord, if you're list'nin', how long
D7
until then?
C F C
Will the sun ever shine again?
