

My Father sings to me ...

My Father Sings to Me *

Richard Veras – Riro Maniscalco

G D G Am
In the world there is a voice
D G
and it sings with a mission
B7 Em
In my life there is a choice
C G D G
and I've chosen to listen
D G Am
to the sound of life and freedom
D G
to a strong, insistent cry
B7 Em
In the world there is Someone
C Am D7
asking me to ask Him "Why?"

G D Em
My Father sings to me
C G B7 Em
in endless elation
C G
He sings my existence
C G
He sings my salvation
B7 Em
A song that has been written
C G
in harmony with yearning
Bm C
A tune beyond my hope
Am D
with words beyond my learning

I'm deafened by my meanness
Yet still His song resounds
Discouraged by my weakness
Yet still His grace abounds
I've discerned Him in the noise
I have heard Him in the silence
my heart has found its key
in the music of His presence

My Father sings to me ...

So I could hear more clearly
My Father's Son was slain
He rose above the discord
His blood runs through my veins
The Son sings of His Spirit
Whose sound is unity
The Spirit sings a movement
that keeps on moving me
