1.Christ is hungry in our brother.  
G/D D  
In our sister he's alone.  
F#m Bm  
In our neighbor he's forgotten.  
Em A  
He's uncared for in our home.  
D A/D  
Our hearts are hoping to meet Jesus.  
G/D D  
Feet are ready for the race.  
F#m Bm  
In our neighbors we can greet Him.  
Em A D  
In our family His face. **R**

2.There are many who have nothing:  
Many homeless, many ill.  
One by one we can care for  
Christ who suffers in our world.

We can get sad. We can get angry.  
We get lost in many ways.  
But we remember when we're needy  
it's so easy to pray! **R**
