You followed a stranger to paradise

D
Naked and alone

D D7 G G7
But a voice from home enshrouded you

And told you that you belong

Em
Cry no more,

G D
For the passerby has not passed you

Em
Cry no more

G D G D G D
He's taken you into his home

Cry no more ...

You followed illusions and lost yourself
there among the swine

But the voice of your father awakened
you

And said to you "You are mine!"

Cry no more

For a feast awaits to celebrate you

Cry no more

He's taken you back home!

Cry no more ...
